Dear Sir:-

Mr. Palzer suggested that possibly Rev. Herbert Parrish of Christ Episcopal Church might have some information concerning Mrs. Demarest. I took up with Mr. Watson the best way of getting to Mr. Parrish, and he finally decided that it would probably be better for him to call upon Mr. Parrish. Mr. Watson called yesterday and informed me that Mr. Parrish has no information of any value; that Mrs. Demarest is not a member of his parish, but attends St. John, the Evangelist Church. Mr. Watson is perfectly satisfied that Mr. Parrish would gladly furnish any information, if he had it, and his wife was also present at the time of the interview.

Respectfully yours,

David Thompson.
